Dear Director General,

I wish to express my gratitude to you and to your Administration for hosting the study visit for the delegation of law enforcement agencies of Guatemala, Costa Rica, Ecuador, Brazil, Bolivia, and Peru, organized within the framework of the Container Control Programme (CCP) from 28 to 31 May 2024. The World Customs Organization (WCO) has received very positive feedback from all the participants and the United Nations Office on Drugs and Crime (UNODC) office responsible for overseeing activities in Latin America and the Caribbean.

This significant accomplishment could not have been possible without the full engagement and commitment of the Uruguay National Customs Directorate. The officers from the headquarters in Montevideo ensured the smooth organization and coordination of the visit and have shown great hospitality to the visiting colleagues.

The study visit was very instructive and participants benefitted greatly from your staff's comprehensive knowledge, professionalism and experience.

I look forward to continuing our fruitful cooperation and I thank you for your Administration's ongoing support to the WCO programmes and to our Members.

Yours sincerely,
